INSTRUCTIONS

1. Apply the prints one at a time by applying a heavy layer of Red Hot to the feet.
2. After applying the paint, immediately press the feet onto the plate in a V shape. Make sure to press firmly.
3. Use your water based marker to write the child's name next to their print.
4. Use a marker to write out the words around the edge of the plate. Then use a writing bottle of Licorice plate to trace over the words.
5. Finally, use the writing bottle in Licorice to write on the children's names.

TIPS

- The exact colors don't matter, so feel free to vary up the colors as you'd like.
- Pale colors don't make for good prints, so avoid pastel colors.
